

EXERCISE

Where's your supermemory? If you can't think of anything, you're probably overlooking the obvious. Ask some friends and loved ones what they've noticed about your ability to pick up certain categories of information. List these categories below.

Info type No. 1: _____

Info type No. 2: _____

Info type No. 3: _____

Circle the type of information that interests you most. Be honest; nothing you really enjoy is stupid or trivial.
