The image shows a technical drawing of a profile within a dashed rectangular border. The profile consists of a vertical line on the left, a horizontal line at the top, and a curved transition between them. A diagonal line extends from the top-left corner towards the right. A curved line is drawn in the top-left corner, and another curved line is drawn in the bottom-left corner. The number '12' is located in the top-left area, and the number '16' is located in the bottom-left area.
